FeatherFur smiled in delight "This is your end DeerTail" DeerTail widened his eyes in fear "Please no, no" FeatherFur Clawed his neck repetly until his breath stopped. "DeerTail!". He saw his former mate in tears and in fear. "Well lets take you to StarClan"He said Clawing her down. She started to claw his chest he saw the cliff edge smiling he unsleashed his claws "this is so easy."He knocked her down clawing her eyes. She yowled in pain panting FeatherFur grabbed her scruff throwing her towards a sharp large rock. "DeerTail was never your mate DuskFern!" He hissed. "You cant save him" DuskFern glanced at DeerTail's bloody limb body. A small bloody tear went down her face. He Grabbed her scruff once again throwing her off the cliff edge DuskFern's Yowl became Quite. FeatherFur Laughed oddly then he yowled "ForestClan Retreat" all the cats ran out o the Moorclan's sight.
